UNOPPOSED MOTION FOR APPROVAL
OF SUPPLEMENTAL DISTRIBUTION PLAN

2 On July 7, 2021, this Court approved the distribution plan submitted by the settlement
 3 administrators in this and two other social casino class action settlements. *See* Dkt. #169. The
 4 Settlement Administrator in this case has since effected that Distribution Plan and has made both
 5 initial and supplemental distributions to all claimants. The Settlement Administrator also
 6 conducted outreach to claimants in order to encourage them to cash the checks that were issued,
 7 pursuant to Section 2.1 of the Settlement Agreement. *See* Dkt. #121-1 § 2.1.

8 Despite diligent efforts, some checks remain uncashed, and there is over \$500,000
 9 remaining in the Settlement Fund as of the date of this filing (the “Reserve Fund”). Class
 10 Counsel therefore submits for the Court’s approval the following, unopposed Supplemental
 11 Distribution Plan:

12 1. The Settlement Administrator will promptly make an additional distribution to claimants
 13 from the Reserve Fund.

14 2. Specifically, the Settlement Administrator will allocate the Reserve Fund—less the
 15 administrative expenses of the additional distribution—pro rata to all claimants who
 16 previously received initial and supplemental payments. However, to the extent an
 17 additional distribution to a claimant would equal less than five dollars (\$5), that
 18 additional distribution shall not be paid, and instead the amount shall be distributed pro
 19 rata to claimants whose additional distribution is at least five dollars (\$5).

20 3. To the extent that any of these additional payments are not cashed/processed by claimants
 21 after ninety (90) calendar days, such funds shall be paid to the Legal Foundation of
 22 Washington—the *cy pres* recipient named in § 2.1(h) of the Settlement Agreement.

23 * * *

24 This proposed Supplemental Distribution Plan is fair, equitable, and faithfully effectuates
 25 the Settlement Agreement in this case. *See id.* The Plan also comports with the initial
 26 Distribution Plan approved by the Court. *See* Dkt. #169 at 1-2. Consequently, Class Counsel
 27

1 requests—and no Party opposes—that the Court grant this motion and enter the attached
2 Proposed Order.
